Re: Report to Department Encampment – March 2020

Department Commander,

I have the privilege of reporting that Sultana Camp #1, Memphis TN is in good health and order!

The Camp had a relatively quiet year. We had three meetings and were able to gain one brother. We are a small camp that has brothers over a significant geographic range. Our meetings were held in Memphis TN and De Soto MS. Brothers travelled from Jackson MS, Bartlett TN, NE Mississippi, and relatively locally from Greater Memphis TN to attend our meetings.

The leadership of this Camp is exemplary. While it is still a small group, they are keenly interested in sharing the leadership load with the Brothers who are willing to step up. Department Junior Vice Commander Skip Rexroade, PCC Sultana Camp #1 led the Camp well in the past year, and it is an honor to follow in his footsteps.

Since the beginning of 2020, the Camp has issued JROTC certificates, and Eagle Scout certificates. The Camp is in planning for a Memorial Day event later this year.

In Fraternity, Charity, and Loyalty,

*George Andrew Huttick*
